Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **School Street Safe Routes to School project** in Fiscal Year 2023.

The entity to receive funding for this project is the City of Lafayette located at 3675 Mount Diablo Boulevard #210, Lafayette, California 94549.

The funding would be used to assist with the design and construction of improvements to create a Safe Route to School and Complete Street corridor along School Street in Lafayette to create a safety buffer, enhance roadway crossing elements, and ADA improvements.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier
